

# INTER-INSTITUTIONAL ONLINE COURSES

Jesuits higher educations institutions in Europe and Lebanon

## *Reaping the benefits of Jesuit higher education in Europe and Lebanon*

### Fall 2022

The Inter-Institutional Online Courses Project allows students from the Kircher Network to enrol in online courses offered by the universities and faculties of the Kircher Network participating in the project.

### Reasons for an international experience from home

- Study with a broader network of professors and peers from sister universities and centres in Europe and Lebanon.
- Learn from comparative approaches to your disciplines.

### How to apply?

Contact the international office of your institution
