

Meeting of the Hest Cluster on Ecology and Environmental Challenges

BRUSSELS, JANUARY 15-16, 2026

NOTRE DAME DU CHAMP-D'OISEAU

KIRCHER
Network
Jesuit Higher Education
in Europe and the Near East

Location & Accommodation

Notre Dame du Champ-d'Oiseau

Avenue des Franciscains 3A 1150 Brussels Belgium

Goals for the meeting

1. Relaunch the cluster
2. Share institutional good practices and opportunities for academic collaboration. Institutions are invited to prepare a brief presentation (maximum 7- minute) highlighting good practices or initiatives related to ecology and sustainability.
3. Discuss potential joint projects to be developed over the next three years. Institutions are encouraged to present concrete, value-added, and feasible proposals capable of generating real collaboration among our universities.
4. Define next steps and an action plan for the cluster.
